

## 10,000 Drug Database Capacity

Tuesday, 01 July 2008 13:51 - Last Updated Friday, 29 April 2011 13:20

---

Approved by NTEP , the pill counting feature is legal for trade in the filling of prescriptions. Up to 10,000 NDC numbers ( and their associated drug weights, names and LOT numbers ) can be stored in the scale's database.

The NDC weights and stored sample sizes.
